The Class of
1970
Presents
the
Northern Lights
Valier High School
Valier, Montana

Dedication

Because he has worked for and with us, because he has given generously of his time and wisdom--words are a poor substitute with which to express our sincere respect and admiration for this man.

He is head of our track program, was our Sophomore and Junior class sponsor and voluntarily gave so much time to the success of our Junior-Senior Prom.

Everyone respects this teacher and looks to him for advice and help. He is never too busy to stop and talk with a student or to help in any way he can.

In appreciation for such devoted service, the Yearbook Staff proudly dedicates the 1970 Northern Lights Annual to Mr. Norman Ballantyne.

Administration & Faculty

Dear Graduating Seniors,

Your years at Valier Schools are finished. Your education for life is not. You will get out of life what you put into it and this is somewhat the same as your years at the Valier Public School.

You have had your ups and downs while in school. They will continue in the future. Some of you will make it, some won't. But remember, there are all sorts of opportunities to advance yourself in years to come, so whether you make it or not depends solely on YOU.

Sincerely,

Robert S. Sindelar, Superintendent

Seven Citizens Serve

The school board consists of five persons representing the elementary school district and two representatives from the outlying High School districts. It holds its regular meetings on the second Tuesday of every month and may have a special meeting whenever it is necessary.

The purpose of the school board is to make the rules and regulations necessary for the function of the schools. The board cooperates closely with the community and the teachers. They receive little recognition for their devoted service to the field of education.

Annual Staff "Northern"

It is the responsibility of the co-editor's staff of the yearbook to design layouts for all pages, to select the cover and its design, to take, select, and crop pictures, to write copy, and most of all to meet the deadlines with the completed pages.

Very interesting, but will it work?

September 26, 1969, the co-editors, business managers, and Mrs. VanGorden attended the Montana Interscholastic Editorial Association (MIEA) conference at the University of Montana in Missoula. There, they learned more about the fine points of putting out a yearbook.

F.T.A. Explores Personal Interests and Abilities in Relation to Teaching

The main objectives of the Future Teachers of America is to learn about the opportunities, responsibilities, and democratic role of the teaching profession and to explore personal interests and abilities in relation to this field.

Initiation and installation of new officers and members opened the year with Mr. Sindelar assisting with the installation ceremony.

The FTA carried out National Education Week by putting up a bulletin board and window display and having a proclamation issued by the mayor. The high school also sponsored "Parents ' Day" during this week to encourage parent interest in the educational process at Valier High School by allowing them to participate in classes for a day.

Two faculty members attended a meeting and related their experiences as student teachers and as first-year teachers. Later in the year, FTA members were allowed to teach a unit of their choice.

A student exchange was carried out between Shelby and Valier in which members of each chapter attended classes in the other's school.

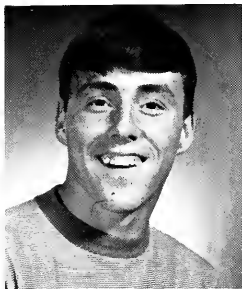

"Project 18" was sponsored by the FTA which gave all of the students of VHS the opportunity to voice their opinions on the lowering of the voting age to 18 or 19.

A picnic in the spring concluded the activities of the FTA for the 1969-70 school year.

The school paper, "The Panther," came out regularly every two weeks during the school year. There was one special edition for District Basketball Tournament news. The staff tried a magazine format and a survey showed a majority of the students found it more acceptable than the former way.

The members of the Industrial Arts Club of 1969-1970 would like to thank Mr. Jack Dunlap for the help and interest he has shown in the past years.

Under the supervision of Mr. Dunlap, the I. A. Club has undertaken wood-construction projects beneficial to both school and community. Among them were the completion of the concession booth and the construction of a Christmas scene which will be erected annually on the high school roof during Christmas season.

The band, meeting five days a week instead of three days as in previous years, showed much progress and improvement. It serves the school as a pep band by playing at games and pep rallies, as a marching band in parades, and as a concert band at its annual Fall, Christmas, and Spring concerts. A highlight of the band's year was their performance at the half-time of the Homecoming game. They had practiced many weeks to perfect their formations; a rocket, a face, and a mountain.

The Valier High School Chorus practiced 3 times a week during the 1969-70 school year. They performed at the Christmas concert, the Spring concert, Festival, and graduation.

A highlight of the year and something which had never been done before, was a trip to Geraldine, Montana, where the choruses from eight different schools all sang under the direction of Mr. Trepp, of Northern Montana College.

Student Council Informs Students

First Row: Nancy Hayne; Secretary-Treasurer, Tony Harwood; President, Bob Kovatch; Vice-President. Second Row: Deanna Geiger; Freshmen Class Representative, Jody Field; Junior Class Representative, Mark Hammer; Senior Class Representative, Ron Widhalm; Freshmen Class Representative, and Mr. Sindelar; Sponsor. Not Pictured, Jayme Nelson; Sophomore Class Representative.

The main governing body of the school does various jobs that help the student Body.

Some of the projects done this year were: repainting the goal posts and side line markers on the football field, cutting Christmas trees to be used in the High School, providing candy machines for the Students, and presenting an Anti-Smoking program, which carried a very important message for all, to the Junior High and P. T. A.

Besides the small jobs done there was much involvement with the other Student councils in our district. The Student governments of our district joined together to make our schools heard in the State Student Council Convention held in Billings. Tony Harwood, Mark Hammer, and Bob Kovatch, who ran for Vice-President of the State wide organization, went to the large convention as delegates. Bob lost a close election but he did represent Valier and the other schools in our District very well.

Within the school the Council worked with the teachers and School Board by giving suggestions for a new dress code and new rules for dances and informing students about various events and curfew. The most important job was working with the other organizations in the school to build school spirit and encourage more activities.

School Spirit is Encouraged and Emphasized by Pep Club

The Pep Club began the year by selling Panther pins to encourage school spirit.

Football and basketball seasons kept Pep Club members busy not only supporting the Panthers, but also selling concessions at home games.

In keeping with school spirit, the Pep Club sponsored the "Purple and White Day" dance which concluded a day of sports activities with Browning.

The constitution was revised during the year and will go into effect next fall.

Interesting Work is Done By Library Staff

The Library Staff is the group responsible for keeping order in the library, checking out books, helping people find materials, and changing the bulletin boards periodically for such things as holidays, tournaments, and National Library Week.

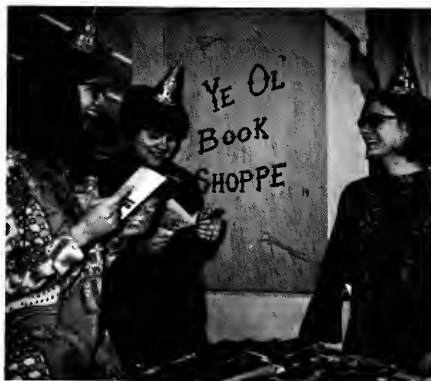

This year in order to stress National Library Week, the librarians set up "Ye Ol' Book Shop," a used paperback book store, in the Conference Room of the library. They put up several posters for this as well as painting psychedelic designs on the windows.

Last spring the librarians took a day off and went on a field trip to Lethbridge, Alberta.

Officers for the past year were: Susan Crawford, President; Marie Adamson, Vice President; Trudy Hall, Secretary and Jewel Stokes, Treasurer.

School and Community Are Centers of F.H.A. Work

The Future Homemakers of America is an organization which provides students with an opportunity to experience activities related to homemaking.

New members were initiated at the first meeting, and Mrs. Harry Swanson and Mrs. Norman Holdren were elected FHA mothers.

The chapter's work was centered around school and community. School projects included concessions at football games, the Hayride, the Homecoming dance, and the Christmas formal which was co-sponsored with the V-Club.

A Sunday breakfast, the Co-Op Banquet, and the Senior Tea and Style Show were community projects. A program on birth defects and mental retardation, a handicrafts program, and the Easter Egg Hunt were sponsored as public services.

"Man has a deeply rooted feeling and admiration for physical fitness and prowess. The CaValiers work out regularly almost the year around to achieve this physical fitness and prowess, and thus have gained the admiration of the people in this area of the state.

"A piece of the success of the CaValiers belongs to each girl who was willing to put in the time and energy necessary to make the group a strong unit. Above all, each girl had to remember that there is no "I" in TEAM."

Mrs. Barbara Knueppel

Mrs. Barbara Knueppel, Sponsor

SENIORS: Jean Wheeler, Jewel Stokes, and Susan Crawford

The CaValiers practiced most of the year to perfect their routines, and worked most of the summer sponsoring Bake Sales and doing odd jobs to earn money for their uniforms. Their first public appearance was when they marched in the Homecoming Parade and performed at the half-time of the Homecoming game. During the Basketball season, they performed at four home games and seven away games and at both the District and the Divisional Tournaments during the half-time of the finals. The CaValiers sponsored an Invitational Meet in March for six Drill Teams from this area. The CaValiers placed first, followed by the Brady Drill Team second, and Cut Bank's third. In May they also participated in the State Drill Team Tournament in Butte.

Students Teach Students

Mr. Dan McKenty of Northern Montana College came to fulfill his college requirements of student teaching. Subjects he taught were Economics and U. S. History.

Miss Sharon Stetler, a former graduate of Valier High School, was a student teacher from Western Montana College. She taught English, P.E., and was assistant coach of Girls Track.

Mrs. Sharon Parks, a student from MSU in Bozeman, did her student teaching in Home Ec. II and III, and Typing I and II.

Mr. Gary Miller, a student teacher of Northern Montana College taught English II, III, and IV.

"In our estimation the 1969 football team was a great success. Although we won only three out of eight games we had a 'winning season.' By this we mean that everything we did during this football season was 100 percent all the way toward making a team to be proud of. We, the tri-captains, are proud to be able to say we were a part of this team, and we are sure all the members of the team share this belief. "

The B-Squad worked hard this year, and with a little more desire and experience, many of them could make a fine showing in their next few years. Gary Casey, who worked with the A-Squad much of the time, promises to be an asset to the Varsity next year. Scott Wright, a freshman, was out most of the season due to a knee operation. Even though the team won only a few games, everyone kept trying and often came close to winning more in some high scoring games.

Terry VandenBos, 165 pound class, made an excellent come back after a shoulder injury sustained in a motor-cycle accident the previous spring. Terry went ahead to place third at the Divisional Wrestling Tournament.

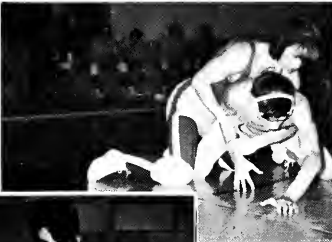

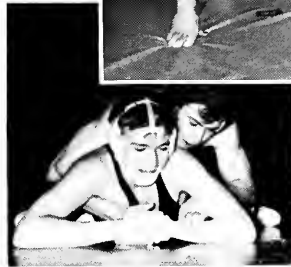

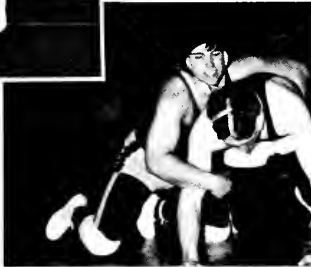

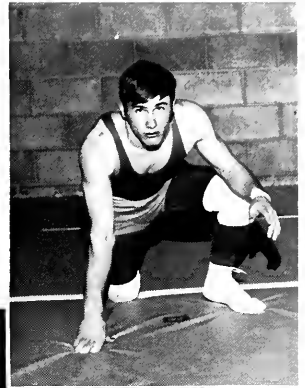

Led by the co-captains, Ray Widhalm and Terry VandenBos, the Valier mat-men did a fine job in the 1969-70 season. The senior boys did a fine job wrestling throughout the whole season and were a great help in aiding our 8-5 season dual-meet record. Although Terry VandenBos was the only wrestler to go to state, other members of the team showed great improvement. We expect great things of them in the years to come.

Senior Wrestlers

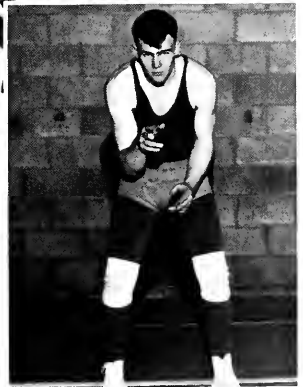

Jeff Briden, 175 pound class, finished his third year of wrestling with a 16-3 record.

Ray Widhalm, 145 pound class, finished his third year of wrestling with a 9-9 record.

Dick Habets, 115 and 123 pound class, finished his third year of wrestling with a 10-6 record.

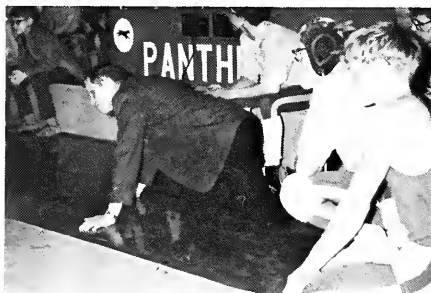

Karl Rappold, 185 pound class, finished his first year of wrestling with a 9-11 record.

Considering the rainy, snowy, windy weather the Valier High School Girls' and Boys' Track teams came through quite well. The greater participation and more enthusiasm was shown by the increase in number of members since last year. The teams scored more points than any in the recorded history of the Valier Track program.

These four track members pictured: Tom Christiaens, Tony Harwood, Jody Field, and Dick Habets, participated in the Divisional Track Meet held in Great Falls at Memorial Stadium.

To qualify for the Divisional meet a track participant must place in the top five places in the District Track Meet. This year Dick qualified in the Javelin Throw by placing fourth. Jody placed fifth in his specialty, the Pole Vault. Tom qualified in the Shot Put with third place. Tony placed first in the Mile and 880 yard Runs.

In the Divisional Track Meet Dick and Jody failed to place. Tom and Tony qualified for the State Track Meet in Missoula with Tom placing fifth in the Shot Put and Tony placing first in the 880 and Mile Runs.

This year Tom and Tony qualified for the Inter-Scholastic Track and Field Meet held in Missoula. At this track meet Tony placed third in the 880 yard Run and fourth place in the Mile Run. Tom gave a very good effort but failed to make the finals in the Shot Put.

At the District Track meet in Choteau five girls qualified for the Divisional Track meet at Fort Benton. Candy Parmelee placed third in the discus, Penny Nelson placed fifth in the 100 yard dash, Kathy Widhalm placed third in the 50 yard and 80 meter hurdles, and the 880 medley relay team, consisting of Penny Nelson, Marlene Armst, Kathy Widhalm, and Maureen Widhalm placed third.

At the Divisional Meet, Kathy Widhalm placed third in the 50 yard hurdles, which qualified her for State. The 880 medley relay team did place fifth, but didn't qualify for State. There was much competition from all the other surrounding Class B and C schools.

Kathy Widhalm

Kathy went to the State Track Meet in Billings to compete in the 50 yard hurdles. Although Kathy didn't place she put forth a great deal to get in the finals.

An attentive audience

This years Senior Banquet was attended by the Seniors, their parents, and the members of the High School Faculty. All of the hard work, such as preparing and serving the banquet, was done by the members of the Junior Class and their parents.

The class colors, blue and yellow, were used by the senior class for their table decorations.

Entertainment was provided by Cindy Swanson who sang "May You Always," and by Susan Crawford who danced.

The Sunday before graduation, Baccalaureate is always held for the graduating class. The religions of the class of nineteen-seventy united this year to express their need for God's help in the future. Impressive words were offered by local Religious leaders.
